More info and best Music Organizer download at [BestMusicOrganizer.com](http://BestMusicOrganizer.com)

Best Music Organizer, Inc. was originally founded in 1994 and went a long way from the initial small one-man shop for data analyzing software to the file processing tools specialist, that it is today. In 1997 we changed our business focus on file processing software and development tools and introduced to the market:

### Music Organizer

Music Organizer version 1.0 released in 1997, was the first tool that could process file storages with unlimited size, in one easy step. Combined with its straight-forward user interface and ease of use, the product became an immediate success. Today, Music Organizer is one of the best selling and most popular file organizing tools world-wide. The introduction of - .Net based - Music Organizer continues our mission to provide high quality file processing tools, and expands our presence in the file processing tools market. On Music Organizer is based a group of popular file organizing tools, including the Music Organizer - the leading MP3 music organizing solution for media collections of all types.
